Re: Formation of Children's Corner at Hassan Town

With reference to your letter No. L.S.G.D./11-102-42-58 dated the 20th November 1942, requesting to be obtained and forwarded the final revised estimate for the above work scrutinized by the Executive Engineer. I have the honour to enclose herewith the duly countersigned by the President Hassan Municipal Council the resolution of the Municipal Council dated 10th July 1942 sanctioning the estimate for Rs. 2,450/- as a recurring half the cost from out of Government grant and remaining to be met by the other half from the Municipal Funds allotted. Regarding the authority for the Municipal Council to incur an expenditure of Rs. 1,190-8-0 the President states that in view of the urgency of the work undertaken, the amount was laid out of the funds in anticipation of Government sanction and requests sanction to the expenditure incurred.

In the above circumstances I request you to kindly obtain sanction of Government to the expenditure incurred by the Town Municipal Council and allot to Government grant of Rs. 1,190/-.

On receipt of the President will be strictly informed that he should not incur such expenses in future not covered by sanction of Government.

I may state however, that the estimate now sanctioned by Children's Corner was probably the most important in connection with the work of clearing the ground putting up in front of very urgent and important

health of the town The municipal presidents letter no Hre 5/42 43
